

Kurnool Water Security Plan

FICTIONAL SAMPLE DOCUMENT. Scanned copy for an OCR demo; all figures are invented.

1. Drinking Water

The Sunrise Coast Alliance will lay a 140 kilometre pipeline from the Tungabhadra river to supply drinking water to 220 villages in Kurnool district. Every village will get a water testing kiosk by 2028.

2. Irrigation

Farmers in Kurnool will receive drip irrigation kits at a 90 percent subsidy, and 35 check dams will be built on seasonal streams.
